byHiggins Ltd - COOKIES

1. Either we or our third party partners may use **cookies** to collect and store certain information from your browser. A cookie is a piece of data (a small file, with typical content of letters and numbers) stored or downloaded on your computer or other device that can be tied to information about your browser's activities on our site.

2. Our **cookies** allow us and our third party partners, including site host Wix and other sites to which we provide links to provide certain features and functions to you. There are different types of cookies, used for different purposes; several different types of cookies may be used when you use our site. Some cookies used may be persistent, such as those used to enable our site to recognise you when you visit. Cookies may also be used to keep track of your preferences, conduct support and debugging, understand the duration of your usage, authenticate your forum responses, see from which country you are using our site (including for Orders and payments), as well as mobile editors. Cookies may also be used to provide us with statistical information about numbers and traffic on our site.

3. **Clear gifs**. We or our third party advertising partners may employ a software technology called clear gifs (aka Web Beacons or Web Bugs. Clear gifs are tiny graphics with a unique identifier and work a bit like cookies; but, in contrast to cookies, clear gifs are not stored on your computer, but are embedded invisibly on Web pages. Clear gifs help improve our site, for example to better manage content on our site by informing us what content is effective. They are about the size of the full-stop at the end of this sentence. Information gathered by clear gifs may be linked to your personal information if you choose to provide such information to us. Please check that any such cookie use is acceptable to you before using our site or any linked third party site.

4. **Flash Cookies**. Technology known as flash cookies is also used on our site, to store your preferences or display content based upon what you view on our site to personalise your visit. Third parties, with whom we partner to provide certain features on our site or to display advertising based on your browsing activity, also use Flash cookies to collect and store information. Such cookies are different from browser cookies because of the amount of data, type of data, and how data is stored. Cookie management tools provided by your browser will not remove Flash cookies. To learn about privacy and storage settings for Flash cookies that may be available, you can click here, but please note that we do not provide this information and are not responsible for its accuracy.

5. Our **third-party partners** may have their own policies regarding how they collect and store information through some or all the technologies discussed above. We do not have access or control over all such cookie use and they are not covered by our privacy policy. If you are at all concerned or have any queries about such usage, please use the links provided check that it is acceptable to you, before using our site or any of its functionality. Specifically, the use of cookies by any tracking utility company is not covered by our privacy policy and we do not have access or control over these cookies.

6. By using our site you agree that the various types of cookies described above can be placed on your device.

Blocking or deleting Cookies

7.   Most browsers allow you to **block** all cookies, whilst some browsers allow you to reject just third party cookies. For example, in Internet Explorer you can refuse all cookies by clicking Tools, then Internet Options, Privacy and, finally, selecting Block all cookies using the sliding selector. Blocking or deleting some or all cookies will, however, have a negative impact upon the usability of many websites, including our site; you may not be able to access certain areas or features of our site.

8.   If you want further information on to delete or block any cookies, please refer to help and support on your particular browser for instructions on how to do this. This information can also be found at http://www.allaboutcookies.org
